Dear Parent/Carer

**Invitation to Bury Virtual Careers Event - Wednesday 23 September 2020  
3.00pm - 7.00pm**

Are you thinking about the next steps for your son or daughter after school/GCSEs? With an increase in post 16 and post 18 choices, it is important to equip yourself with up to date information to help your son or daughter make informed choices.

We are pleased to invite you and your son or daughter to an exciting online event to find out more about the wide range of Apprenticeships, college, university and training opportunities open to them, once they have left school and after college. This year, due to Covid 19, the event is online and we have our own dedicated website with over 30 exhibitors with their own dedicated page showing what they can offer.

Each page will have a description of the exhibitor, links to their website, videos, case studies and photos. Some exhibitors will also have an online enquiry form through which questions can be asked and staff will be able to answer them on the night. The website will then remain open for another 12 months so you will be able to browse the site and contact the exhibitors afterwards at your leisure.

Join us on **23 September 2020** to meet online colleges, universities, Apprenticeship providers and employers and find out more about the whole range of opportunities available after school and college. To visit the website just click on: <https://www.burycareersevent.org.uk/>
