INFORMATION ON HOW TO MAKE THE MOST OF YOUR APPLICATION: GUIDANCE NOTES

Applying for a job with Bury Council

When you apply for a job in Bury Council selection for interview is based upon the information you provide on the application form. With the application form you will have:

A Job Description – this gives you details about the job. It lists all the main tasks and duties which the postholder will be required to carry out.

A Person Specification – this tells you what qualifications, skills, knowledge and experience a person must have to be able to do the job. These are listed as essential and desirable criteria. In order to be invited for interview you must be able to show that **you meet all the essential criteria** and ideally all the desirable criteria. However, if you do not meet some or all of the desirable criteria, you may still be invited for interview.

Some points to bear in mind before you start

- Look carefully at the job description, person specification and application form. Ask yourself why you are interested in the job and what qualifications, skills, knowledge and experience you have which would help you to do the job. Do not copy the same application for a series of jobs.
- Make sure your application relates to the requirements of the job description and person specification.
- Please use the application form provided.
- When completed, read through your application form carefully and check that each section has been filled in. If you have additional pages, please ensure that they are numbered and securely attached. On each additional page you should also write down the post title.
- Sign and date your form and make sure that it is sent in plenty of time to arrive before the closing date.

Completing your Application Form

The application form is in two parts – Section A and Section B.

Section A

In this section we ask for your personal details, such as your name, date of birth and any other information from which a shortlisting panel may identify you. Section A also asks you to provide information which will help us to monitor and improve our equal opportunities policy. Section A of the form will be detached and kept separately early on in the recruitment procedure. This means that the shortlisting panel will only have access to the information contained in Section B.

Section B

This section asks for the information we need to consider when we draw up a shortlist based on the person specification.

Section A

Personal Details:

Make sure that your full name, address, preferred title, date of birth and home and work telephone numbers (if you are on the telephone) are entered.

Reference:

You should give the name, address and designation of two referees one of whom should be your current employer (or most recent employer if you are unemployed). If you do not currently work with children but have done so previously please include the employer's details as a referee. If you have no previous experience, have recently entered the country or the company you worked for has closed down, a reference from a non-employer (e.g. your doctor, your solicitor) may be acceptable. References from relatives, partners or friends will not be acceptable. ***It is the policy of the Council not to accept elected members as referees.***

If you are an internal candidate, you should provide the name and address of the Director or your department. ***External candidates should not give Council employees as referees.***

Equal Opportunities Monitoring:

Remember to complete this part of the form as it helps us to find out whether our equal opportunities policy is effective with regard to recruitment and retention of staff, e.g. the development of work life balance policies.

Every job applicant's suitability for a job will be judged on the basis of their skills, knowledge, experience and/or qualifications.

Section B

Post Details:

Please copy the relevant information detailed in "Section A 1. Post Details".

Current or Recent Employment:

If you are currently employed give details of your present job. If you are not currently working leave this section blank.

Previous Employment

Starting with your most recent previous employer, list all the employers you have worked for. Give the dates you worked for them and their name and address. Write down your job title and, for more recent posts, your grade and salary. Check that dates are correct and in order and that reasons are given for any gaps.

Education and Professional Qualifications:

Give a list of all your qualifications, including grade/level achieved, starting with those you obtained most recently. We need this information to assess whether you fulfil the essential qualifications for the

vacancy. If you have any professional qualifications that you feel are relevant to the vacancy although they may not be an essential or desirable requirement for the post, please list them here. If you have overseas qualifications you will need to provide evidence to show that they are equivalent to any qualification required. If you need help with this you can contact the National Council for Academic Recognition on 0161 957 7064.

Other non-qualification training:

Detail here any other training you have undertake which may be relevant to the post along with the dates the training was carried out.

Your application:

Relevant Skills, Knowledge and Experience:-

This is the most important part of your application. Do not repeat your whole career history. Try and match your relevant skills, knowledge and experience to the essential and/or desirable requirements on the shortlisting criteria contained within the person specification.

As a guide it may be helpful to use the criteria on the person specification as headings. Under these headings you could outline the relevant skills, knowledge and experience you have obtained. It is not acceptable to just say you have done something; you must qualify this by giving details of how you did it and what was involved.
