

Logging in using Single Sign On

You may have been asked to log into Satchel One using your school email address and password. If so, you won't need to learn new login details for Satchel One!

Firstly, click on the correct option (this could be Office 365, Google or RM Unify), then enter your school email address and password.

Logging in using the mobile app

The login experience on our mobile app is very similar and requires all of the same information!

Please download the Satchel One app from the App Store or Google Play Store.

Open the Satchel One app and search for your school. Then, log in using your usual login details or Single Sign On credentials.
